# We are the Barranco family

Our story began in 2016 with the Croquetas Ricas project and since then, we have been committed to providing the hospitality industry with the best convenience food products on the market.

In our bakery, we combine fresh, high quality ingredients with a touch of innovation and creativity. Our aim is to give chefs and restaurants the possibility to offer their customers exceptional gourmet dishes.

Our extensive range of convenience food products includes everything from exquisite side dishes to irresistible main courses, all prepared with the care and attention to detail for which we are renowned. By purchasing all our products, you can easily open a tapas bar.

## WHAT SETS US APART:

- **Unrivalled quality:** We work tirelessly to guarantee it.
- **Culinary variety:** From traditional classics to contemporary creations.
- **Personalisation:** We understand that each establishment has unique needs.
- **Sustainable commitment:** We strive to be responsible in our production.  
We work with local suppliers.
- **Exceptional customer service:** Our family is here to support yours.

# Our Brands

**BARRANCO'S**  
Gourmet Food

Barranco's Food is the leading gourmet food group for restaurants, distributors and all types of catering businesses.

We sell various high quality products such as Russian salad, chicken sandwiches or potato soup among others. For many years we have been helping restaurateurs to have the best quality and homemade products in their business.

**CROQUETAS RICAS**  
G O U R M E T

Croquetas Ricas makes gourmet croquettes from its family bakery using the traditional recipe based on quality ingredients: whole milk, pure butter, special refined flour for croquettes and large proportions of the main ingredient.

No flavourings or colourings.  
We have traditional croquettes for frying and for oven or air fryer.
