

# OUR NUMBERS:

- + 1.500 m<sup>2</sup> of production area
- + Presence on 10 countries worldwide
- + 3.000 loyal restaurants buying our product in Spain

## WHY ARE OUR CROQUETTES DIFFERENT?

Because they are **HOMEMADE**, artisan one by one, with 100% creamy cow's milk, pure butter and special flour for creamy béchamel.

For each variety, we only add the main ingredient: Iberian Spanish ham, natural boletus edulis, blue cheese, crumbled cod, prawns, etc.

Only natural ingredients: no preservatives, no additives.

BEST HANDMADE CROQUETTES IN THE WORLD

## GOURMET HANDMADE

## OUR VISION

We aim to provide best quality to our clients, enhancing and giving value to gourmet, natural food. We want to preserve the values of the traditional Spanish food.

We have facilities designed 100% to produce hand-made croquettes.

Our chefs are experts in the product and we only work with first-class suppliers.

We guarantee a first quality product to achieve full satisfaction of your customers.
